## Student Dress Down Form

At Saint Teresa School we are proud to wear our uniforms as it helps raise school spirit, good behavior, and professionalism among our student body. Nevertheless, we recognize that it is always fun to dress down!

In an effort to further unify our school we are designating specific themed dress down dates once a month in addition to the once a week dress down, so that the student body can enjoy them together. This year, dress down day will be Friday. Payment for dress down days are \$5.00 for the month, or \$50.00 for the year. Please refer to the Student Handbook for the school's dress down guidelines or if you have questions, please see Miss Amodie.

### Normal Dress Down Days:
