I suggest you break the summer reading assignments into manageable pieces so that you are not over whelmed towards the end of the summer.

These books need to be read over the summer and the attached questions need to be answered for each book.

The assignments are due the first day of school.

Please answer the questions on a separate sheet of paper. They each need to be answered in complete sentences and written in cursive to the best of your ability.

**\*\* STS planners are required and will be available for sale at the beginning of the school year.\*\***

**\*\* Please do NOT buy binders. They do not fit in the students desks and take up too much room.\*\***

I strongly advise buying extras while supplies are on sale before the start of school. Crayons, glue sticks, notebooks, etc... run out and are needed throughout the year.
