Map Explanation Paragraph

The map I created is thematic. A thematic map focuses on a specific theme or subject. The subject of my map is the Cape Cod Bike Trail. The elements on my map include a scale, compass rose, and legend. The scale compares distance on a map to the distance in real life. The compass rose shows direction on the map compared. The legend explains to the reader what symbols are on the map. The symbols on my map are town boundaries, parking locations, restrooms, and different types of roadways. Additionally, my map also discusses what bike shops are located in each town. My map will help people navigate how to travel from one place to the next.
